There are cheap baking powders, made from alum, but they are exceedingly harmful to health. Their astringent and cauterizing qualities add a dangerous element to food.

Dr. A. K. Hawkes, of Atlanta, the man who has made a reputation selling A 1 spectacles, was in Ocala Monday, and is enthused with the bright prospects confronting our state. He thinks the next decade will mark a great era for Florida.

Rev. Mr. Colyer, of Charleston, S. C., has accepted a call from the Christian church at Tampa. Mr. Colyer will be pleasantly remembered in this city, having preached here a week last summer. We are glad to number Mr. Colyer among Florida's permanent divines.

The next person to subscribe for the Comanor through the clubbing arrangement with the Ocala Banner is Mr. V. P. Smith, of Micanopy—two subscribers, and both from Alachua county. Do not any of our Marion county subscribers want the Comanor?

The Ocala Banner job room has just printed a twenty-four page brief for Mr. Otis Thacher Green, solicitor for the respondent in the case of Henry H. Graham, Mabel Graham, Thomas A. Banning, Charles C. Linthicum and Florida Land Rock Phosphate Company, petitioners, vs. Charles Swayne, judge of the United States District Court for the Northern District of Florida, respondent. This brief will add to the reputation Mr. Green has already achieved as a civil lawyer. His practice, which is very fine, is rapidly expanding.

Bright's Disease is more dreaded by physicians than any of the serious disorders with which they have to deal because of its insidious and malignant character. If prompt action were taken when headaches, urinary disorders, digestive troubles first appear, much suffering and sorrow would be averted. PRICKLY ASH BITTERS will quickly stop the spread of the disease, quiet the inflammation, heal the kidneys and bladder, strengthen and regulate the liver, and drive poisons and impurities out of the system. THE SPEAKERSHIP.

The race for the above office is now assuming definite shape and will soon become the topic of absorbing interest by the state press.

Marion county will present the name of Hon. Wm. K. Zewadski, and his friends believe from the letters he has already received that he will be elevated to this distinguished position without very much of a struggle.

Mr. Zewadski's opponents are Hon. J. W. Watson, of Osceola county, and Hon. J. Emmett Wolfe, of Escambia county.

As Hon. C. A. Carson, of Osceola, is an announced candidate for president of the Senate, with a strong probability of being elected, it is hardly possible that both honors will be conferred upon Osceola—Jefferson county never went quite that far in her political demands in her palmy days.

So the race for the speakership is really between Hon. W. K. Zewadski and Hon. J. Emmett Wolfe.

Mr. Zewadski is entering upon his third successive term as a member of the legislature and his fitness for the office of speaker has been strongly established. More than any other member during the last session of the legislature he was called to the chair as temporary presiding officer and distinguished himself as an adept. He is perfectly familiar with the rules, is exceedingly quick to catch a point, and unravel it if it should amount to a problem and become at all difficult, and makes an ideal presiding officer.

Mr. Zewadski will be supported almost unanimously by south, east and middle Florida, and his supporters confidently feel that he has enough votes already secured to make his "calling and election sure."

Nine O'Clock German.

The opening German of the Nine O'clock German Club was held in the Ocala House parlors last Tuesday night.

The music was furnished by Prof. Van Way's Ocala House Orchestra, and was excellent.

The German was led by Capt. Geo. R. McKean and Miss Lena Bullock, and many new and very pretty figures were introduced. The favors, which were numerous and pretty, were gracefully given out by little Misses Louise Scott and Alice Bullock, who were dressed in pink and looked very sweet.

Quite a number of prominent spectators were present.

Those who participated in the German were: Capt. McKean and Miss Bullock, Mr. Lutz and Miss Ansley, Mr. Ford and Miss Taylor, Mr. and Mrs. Watson, Mr. Smith and Miss Hiller, Mr. Harris and Miss Ford, Mr. Crook and Miss Weathers, Mr. Taylor and Miss Waterman, Mr. Miller and Miss Couch, Mr. and Mrs. McIntosh, Mr. and Mrs. Gilford, of New York, Mr. Mathews and Miss McKean, Mr. Helvenston and Miss Piatt, Mr. Rheinauer and Miss Pereda, Mr. Hiller and Miss Harris, and Mr. R. L. Northcutt.

Miss Miller Entertains.

On Friday evening Miss Mona Hiller entertained eight of her young friends at dinner. The table decorations were holly and hyacinths, and the souvenir at each plate was a bunch of violets. The dinner was a triumph of the culinary art.

After dinner progressive whist was played, enough others having been invited to make seven tables.

This delightful game was played until 11:30 o'clock when a dainty repast was served.

The prize, a handsome plate, was won by Mrs. Robert Anderson.

The visitor's prize, a pair of silver tweezers, was captured by Miss Taylor.

The gentleman's prize, a silver valise tag, fell to Mr. Lloyd.

It was some time past midnight before the guests could be persuaded to bid good night to their fair hostess.

Miss Hiller's dinner and card party will always be remembered as one of the most pleasant and delightful affairs of the season.

A Dainty Luncheon.

Last Friday at 1 o'clock Miss Emily Ford entertained a few of her young lady friends with a delightful luncheon, complimentary to Miss Mabel Taylor, of Cincinnati, and Miss Margaret Ansley, of Thomasville, Ga.

The table was beautifully decorated, the center piece being an immense bowl of pink and white roses and asparagus fern.

At each place was a beautiful rose, pink and white alternating, as a souvenir.

The afternoon was very pleasantly spent in playing various games, and with instrumental and vocal music.

Miss Ford always entertains in a charming manner and this luncheon was no exception to the rule, it being most delightful in every way.

The guests who were present were Misses Taylor, Ansley, Weathers, Waterman, Bullock, Hiller, Eagleton, Harris, and Mrs. Bright, of Canada.

LaGrippe Quickly Cured.

"In the winter of 1898 and 1899 I was taken down with a severe attack of what is called LaGrippe," says F. L. Hewett, a prominent druggist of Winfield, Ill. "The only medicine I used was two bottles of Chamberlain's Cough Remedy. It broke up the cold and stopped the coughing like magic, and I have never since been troubled with Grippe." Chamberlain's Cough Remedy can always be depended upon to break up a severe cold and ward off any threatened attack of pneumonia. It is pleasant to take, too, which makes it the most desirable and one of the most popular preparations in use for these ailments. For sale by Anti-Monopoly Drug Store.

A Pleasant Picnic.

Miss Esther Weathers entertained eight of her young lady friends with a picnic on the Summerfield road last Monday, complimentary to her guest, Miss Taylor.

The entire day was spent in the woods and the time was passed in various pleasant ways and greatly enjoyed by all who attended.

Dr. Forbes Visits Ocala.

Ocala was fortunate in a visit from the above named distinguished gentleman. Dr. Forbes is president of Stetson University and is well known as a most forceful and accomplished speaker.

He lectured before the teachers association at the armory last Saturday morning and the following morning preached a most thoughtful and intellectual sermon at the Baptist church to a large and appreciative congregation. His lecture and sermon were both enjoyed and will serve as food for thought for a long time to come.

We are sorry that the crowded condition of our columns prevents us from giving an extended synopsis of his splendid efforts. Both his lecture and sermon were remarkable productions and neither can be praised too highly.

The Best Prescription for Malaria, Chills and fever is a bottle of Grove's Tasteless Chill Tonic. It is simply iron and quinine in a tasteless form. No cure, no pay. Price 50 cents.

At the Top of the Procession.

It would be wrong to say that those splendid merchants, Messrs. Rheinauer & Co., are "keeping up with the procession," they are leading it.

Their windows are creations of artistic skill and their shelves and counters are rich in the display of the latest and most fashionable goods.

They also have a new, tastily painted delivery wagon, which is as attractive as any seen on our streets.

WILD WITH ECZEMA

And Other Itching Burning
Scaly Eruptions with
Loss of Hair

Speedy Cure Treatment \$1.25

Bathe the affected parts with Hot Water and Cuticura Soap (25c.) to cleanse the surface of crusts and scales and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuticura Ointment (50c.) freely, to allay itching, irritation and inflammation and soothe and heal, and, lastly, take Cuticura Resolvent (50c.) to cool and cleanse the blood. A single set (price, \$1.25) is often sufficient to cure the most torturing, disfiguring and humiliating skin, scalp and blood humors, with loss of hair, when all else fails.

This sweet and wholesome treatment affords instant relief, permits rest and sleep in the severest forms of eczema and other itching, burning, and scaly humors of the skin, scalp, and blood, and points to a speedy, permanent, and economical cure when other remedies fail.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scald head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants and the anxiety of worn-out parents, as in milk crust, tetter, and salt rheum—all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura remedies are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy, have made them the standard skin cures and humor remedies of the civilized world.

Millions of Women Use Cuticura Soap
